Marist District of West Africa

District Mariste de l'Afrique de l'Ouest

Distrito Marista de Africa del Oeste

DISIGN (Part 1)

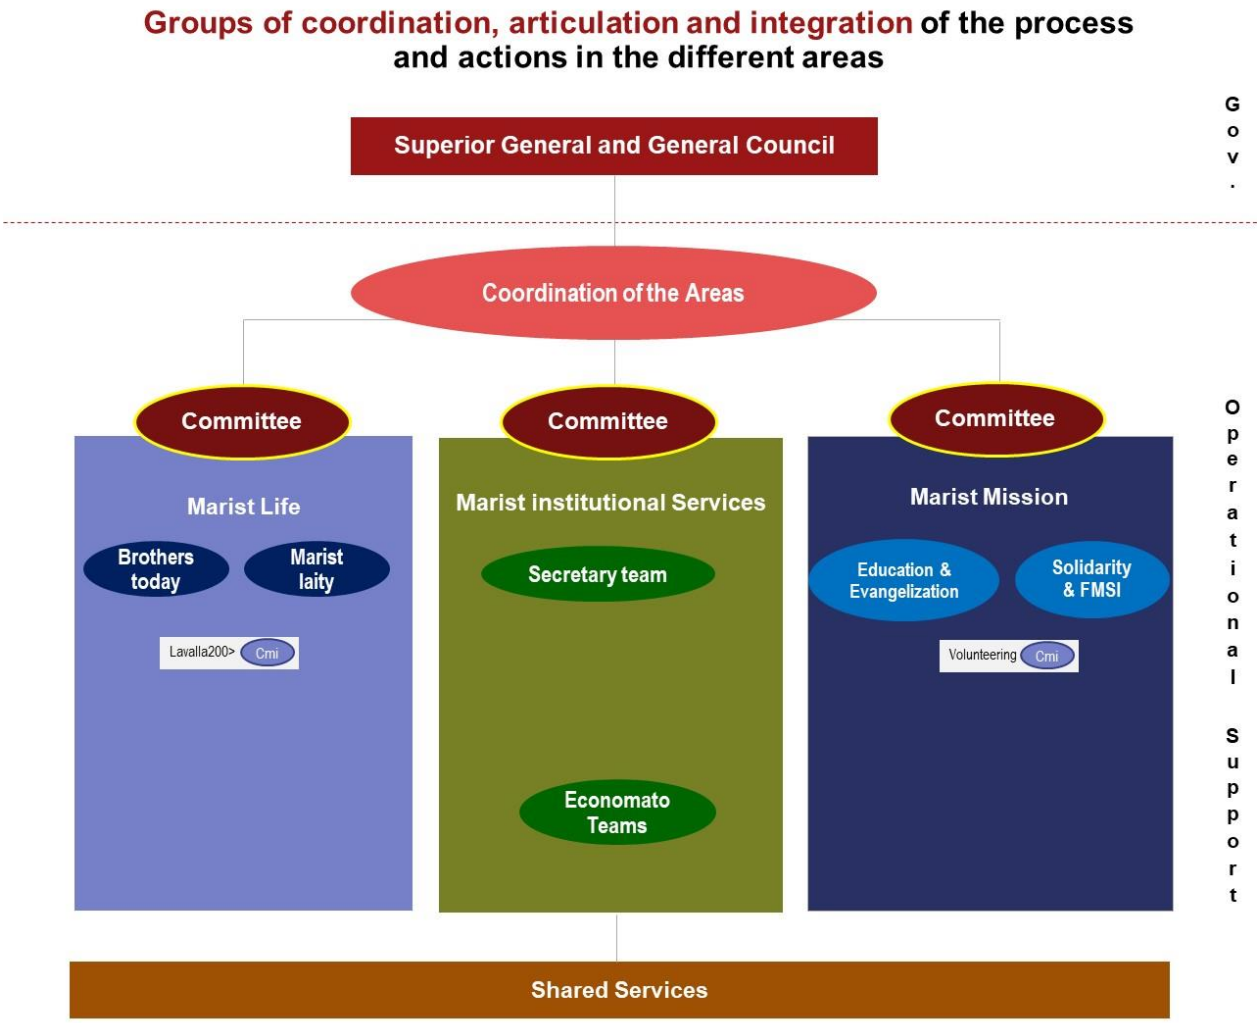

TOWARD A NEW PROVINCE

1. - How is the organogram of your administrative unit, in response to the animation of Marist life and mission?

An **organogram** is just another name for an organizational chart. It is a diagram that shows the structure of an organization and how the various positions are related to each other.

The organizational chart of the Marist Institute or any Marist Administrative Unit must be aligned with its priorities.

2. - Organogram of the General Administration of the Marist Institute

3. - Organogram of the Mediterranean Province

<table>
<tr><th colspan="3">PROVINCIAL COUNCIL</th></tr>
<tr><td>COUNCIL OF MISSION
Education
Solidarity
Pastoral
Human Resources</td><td>COUNCIL OF MARIST LIFE
Brothers
Lay Marist</td><td>COUNCIL OF ECONOMIC AFFAIRS</td></tr>
<tr><td colspan="3">CHILD PROTECTION TEAM</td></tr>
<tr><td colspan="3">ECOLOGY TEAM</td></tr>
<tr><td colspan="3">COMMUNICATION TEAM</td></tr>
<tr><td colspan="3">STRATEGIC PLAN MONITORING TEAM</td></tr>
</table>

4. - Organogram of the Province of West Africa.

In the stage of DISCOVER we have reflected on the commissions of the District. Now we must specify a little more:

How would you design the organogram of the new Province of West Africa?

What Teams and Commissions would you put into operation and how would you draw it on a chart like the ones you have seen of the Marist Institute and the Mediterranean Province?
